MANDATORY

MANDATORY WHEN APPLICABLE

MUST BE ORIGINAL
=MUST BE HAND-SIGNED AND INK-STAMPED

MUST BE SUBMITTED AS A SET

1. DIRECTIONS

All documents are required to undergo notarization, consular certification, or apostille authentication either in the country of issuance or via the issuing country's consulate located in Korea.

Applicants must submit the original certified document along with a notarized English translation, for documents issued in languages other than Korean or English.

All notarization must be performed in the document's country of issuance and must certify both the original document and its translation as a single, unified set.

Any document that is translated into Korean and notarized within Korea will be rejected.

Validity of certification — for academic documents and for nationality / family relationship documents, the notarization, consular certification, or apostille must have been obtained within 6 months before the start date of Round 1 applications. Note: the 6-month limit applies to the certification, not to the document itself.

#2 & #3 Applicants must submit a copy of their own passport as well as copies of their parents' passports. If a parent does not possess a passport, a notarized and translated copy of the parent's national identification card may be submitted instead.

#2-A Applicants who have been issued a Residence Card (formerly the Alien Registration Card, ARC) while residing in Korea are required to submit a photocopy of both the front and back sides of the card. * In cases where the Residence Card is under extension, a Certificate of Foreign Resident Registration (Form C322B) must be submitted in place of the card. p. 6

#4 Applicants must submit a notarized document that officially establishes the parent–child relationship.

#5 Applicants are required to submit their high school graduation documents along with their academic transcript. These documents must be translated, notarized, and legalized through either consular certification or an apostille.

#6 **English Track applicants must submit one of the following: TOEFL iBT 3.5 or higher (former 0–120 scale: 59 or higher), IELTS 5.5 or higher, or NEW TEPS 202 or higher.**
Korean Track applicants must submit proof of Korean proficiency via a score from TOPIK, a certificate from KIIP (사전 평가 증명서, 이수증, or 교육 확인서), or a Sejong Institute Certificate of Course Completion (excluding online courses).

#7 **Applicants must submit an original Verification of Deposit showing a minimum balance of KRW 20,000,000 (or USD 16,000 / RMB 110,000). The account must be in the applicant's own name as a rule; a parent's account is accepted only where the applicant cannot open one. A single account only — combined balances across two or more accounts, passbook copies and transaction statements are not accepted. Submitted after admission, by the date given in the successful-applicant notice.**

#8 Applicants are required to submit the Academic Record Verification Agreement in order to ensure a fair and transparent selection process.

These requirements are specific to applicants from Bangladesh.
