6 Screening Criteria

The admissions decisions will be made based on the academic records, accomplishments and other reference documents. The Admissions Committee will review a number of factors – academic accomplishments, academic activities, perceived fit with academic major, adaptability, language proficiency and artistic/physical skills. **Interviews, audition, and/or major-specific tests may be required** based on the policy of a specific college or department, in which case **the details will be individually notified to the applicant**. **Any details relevant to document screening will not be disclosed.**

7 Application Procedure

Notes for Submission of Required Documents

- 1 All the documents must be submitted within application period. After the deadline. Submission of documents are not possible. If all required documents are not submitted within the submission period, the application may be rejected due to failure to meet the eligibility requirements (except : who applied with expected graduation certificate).
- 2 Any document that is not in Korean or English must be translated into English and notarized.
- 3 You will not be notified individually regarding the receipt of documents. Notifications about admission results and tuition payments will not be provided individually, and applicants can check this information on their My Page.
- 4 In principle, all submittal documents should be submitted in A4 size. In particular, the passport copy should not be cut and submitted.
- 5 Your passport must be a passport with a sufficient expiration date at the time of admission, and the applicant is responsible for the disadvantages such as the delay of the visa due to the change (extension) of the passport.
- 6 There is no need to submit additional photo of the applicant if uploaded online when online application.
- 7 The applicant's achievements, such as portfolio, picture of work, and recording materials, are 'free format' and the One Stop Service Center (Admissions Team) will not receive questions regarding the applicant's submission form.

Important notes related to Notarization, Consulate Certification and Apostille documents

- 1 All documents notarized / consulate certification / apostille must be held in the country in which the documents are issued or at the respective consulates in Korea.
- 2 Documents not in Korean or English must be submitted with a notarized English translation and the original notarized document. The notarized document must include both the original and the translated content as a single set. The notarization must be held in the country in which the documents are issued.
- 3 Unless stated as "Photocopy", all the above documents should be original. In case documents are not allowed for re-issuance or original documents are not available, notarized copies can be acceptable.
- 4 Please review your translated and notarized documents. If the name, gender, etc. are written differently from official documents such as passports due to the translator's mistake, **it also be a reason for disqualification of the applicant.**
- 5 If the applicant or applicant's family name is different on documents, a document issued by the government of the country of origin must be submitted to prove that all are the same person.

8 Important Notes for Applicants

- 1 Applicants will take full responsibility for any disadvantages due to mistakes or omissions on the application. Please be reminded that, in principle, any modification or cancellation will not be accepted after completing the application.
- 2 Be sure to make and keep photocopies of all completed forms. **Any and all documents and materials submitted with the application become the property of SJU and will not be returned to the applicant under any circumstance.**
- 3 A detailed account of any individual admissions decision will not be disclosed.
- 4 If any of the submitted materials contains false information, admission will be rescinded/revoked and readmission will be prohibited.
- 5 If an applicant fails to graduate as scheduled, the admission for the applicant will be automatically cancelled.
- 6 An applicant who is admitted to two or more departments will be required to choose one over the other before registration.
- 7 Be sure to understand that the University issues only the Certificate of Admissions for student visa (Type: D-2) application for the admitted students.
- 8 If an applicant applies from outside Korea and is admitted to the University but his/her application for a D-2 student visa is rejected by the Ministry of Justice, the admission for the applicant will be cancelled.

8 Important Notes for Applicants

- 9 Admitted students may not defer admission to a later semester. Students who wish to defer admission must re-apply.
- 10 Depending on the nationality, some applicants may be asked to participate in an interview(s) before or during the application/screening period. In this case, please proceed as instructed.
- 11 Applicants of the following cases may be excluded from screening by the department, and **the details of the evaluation will not be notified or disclosed to the applicant.**
 - Cases where there is any missing document or where the document is not submitted within the deadline (online submission of documents not accepted)
 - Cases where the information on the online application form is found to be false or unfaithful
 - Cases where the purpose of application other than studying abroad is suspected
 - Cases where the applicant's academic ability or financial ability seems to be insufficient
- 12 If the original document cannot be submitted or if a document requires translation into English, it must go through a notarization process. During notarization, the notary public must verify that the copy is identical to the original and that the translation accurately reflects the content of the original document.

9 Scholarship Application

- 1 All scholarship application documents must be submitted to the One-Stop Service Center (Room 209, Student Union Building) by 17:00 on the submission deadline. ※ For documents issued in Korean or English in countries other than Korea : translation is not required.

Q2. I can only issue an Apostille once, so I cannot submit the original graduation certificate that got an Apostille.

A. Photocopied documents cannot be submitted. Please make a copy, get one of the following, translate and notarize it, and submit it. Certified copy of Korean diplomatic office in foreign country | apostille | consulate's confirmation or certified true copy stamp. If you submit an original English diploma with an apostille, please note that it cannot be returned to you regardless of the admission results. It is also not possible to return for the visa purposes. Please prepare for additional issuance of your documents in advance.

Q3. I would like to copy or scan the graduation certificate certified by Apostille / Consulate Certification and submit it after printing (black and white / color).

A. Documents printed after copying or scanning are not original, so we do not accept them. Please submit the original Apostille / Consulate Certification.

Q4. I want to know the expiration date for each document.

A. Please refer to the table below.

Documents	Valid Date
Academic Documents	Translation&Notarization, Consulate Certification, Apostille: Six Months from the start date of application for the first round
Nationality and Family Related	Translation&Notarization: Six Months from the start date of application for the first round

※ For documents issued in Korean or English in countries other than Korea: translation is not required.

Q8. I have an alien registration number, but I cannot submit a bank balance certificate from banks in Korea because I am not in Korea during the application period.

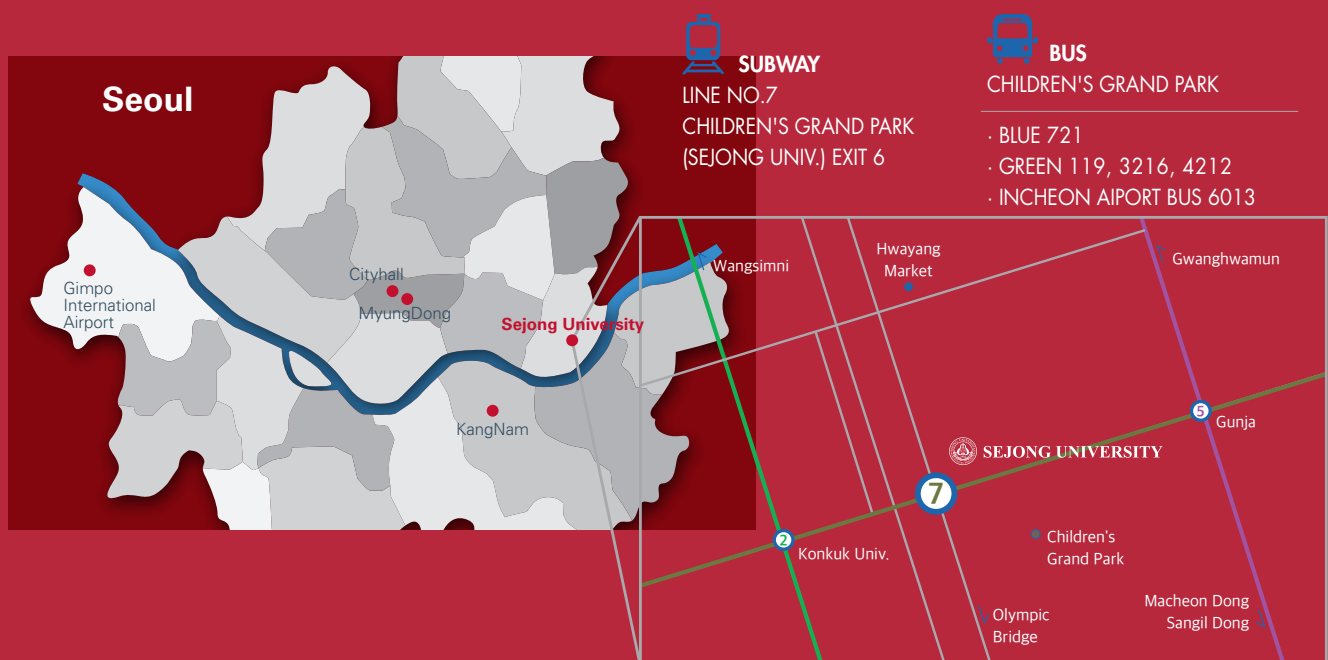

A. If you submit an official entry and departure record that you were not in Korea at the time of submitting the application, you are exceptionally allowed to submit a bank balance certificate from an overseas bank..

Q9. I am attending a language school in Korea, but I cannot open an account in Korea because my alien registration card has not yet been issued.

A. Please submit a certificate of enrollment in the language school(state the period of study)and a VOD in your home country. After issuing the alien registration card, please submit a VOD issued by a bank in Korea by the designated deadline.

Q10. What are copy notarization and translation notarization?

A. If the original document cannot be submitted or if a document requires translation into English, it must go through a notarization process. During notarization, the notary public must verify that the copy is identical to the original and that the translation accurately reflects the content of the original document. For example, we must be able to find sentences like "I do hereby solemnly and sincerely declare that the attached certificate exactly corresponds to the original. I swear that the attached translation is true to the original."
